

tumbled series

Just as the name suggests, Tumbled Series mirrors the look of tumbled brick at a fraction of the cost. Beautiful in its ruggedness, Tumbled Series offers a distinctive look with texturing easily seen and appreciated. Bricks in their "green state" go through an additional surfacing process, creating the unique appearance found in this series. Warm hues radiate these resilient bricks generating a feeling of unequalled comfort.

Tumbled Series, Church Hill with Vivace, Cortona
