

vivace linear

The naturally aged appearance, 4-inch height and five lengths of our Vivace Linear stone provides the perfect balance between contemporary proportions and gorgeous, natural colors. Vivace Linear, when used on its own brings drama contrasting a modern, linear pattern with a natural aesthetic. Combined with our Vivace or Artiste Stone, Vivace Linear presents a unique customization while staying true to your color palette. Textured ends on each stone means minimal waste and cutting.

Vivace Linear, Siena with Vivace, Tweed
