

Bonneville

From inception, Bonneville was designed with versatility required to shape modern home design. Softly-blended, natural colours were specifically developed to make Bonneville the perfect complement to our well-coordinated bricks. A smooth surface, clean lines and modern proportions make Bonneville stand apart from other stones.

Stone Masonry: Bonneville, Dover (168 x 590)
Clay Brick: Tahoe
Pavers: Nueva Paver, Champagne
Garden Wall: Modan, Champagne

Bonneville

Produced with RainBloc®.

Courses out with Metric Brick and Block

design idea!

The 168 and 257 mm height stones course out with Premier Plus brick and our Artiste 2 stone.

Note:

- Concrete masonry veneer units with a length greater than 410mm (16.14") may not be defined as unit masonry by the respective standard. When considering non-standard dimensional units, structural performance of the block unit and of the masonry construction should be reviewed and verified.
- To ensure proper construction, please refer to your local Building Code(s), Standards and Industry Best Practices.
- Brampton Brick Limited is not design responsible.
