

Contemporary Series

The Contemporary Series taps into today's trends with clean lines and less pronounced textures. Clay bricks with smooth faces and clean edges pull inspiration from elegant and stylish architecture, combining sleek looks with a full colour palette developed to coordinate with each other and with our stone veneer products.

Brick: Contemporary Series, Espresso
Stone: Contempo, Nickel

design idea!

To draw attention to the horizontal lines in a design, the long, slender shape of Norman sized brick makes an elegant statement!
