
 **100x300 STONE**
Width: 100mm (3.94")
Length: 300mm (11.81")
Pieces per Layer: 33
Layer Coverage: 100%

(36% of pattern area)

 **100x400 STONE**
Width: 100mm (3.94")
Length: 600mm (15.75")
Pieces per Layer: 22
Layer Coverage: 100%

(74% of pattern area)

These CAD details have been drawn based on the Raster dimensions of the product (center of joint to center of joint) based on a specific joint size. Field layout and measurements are recommended before pouring any concrete curbs.
